“I entered the WIA Youth Program as a 20-year-old single mom, and it prepared me for work and school with different workshops. In no time I was working part time and going to college. I obtained my associate’s degree in psychology and have started on my bachelor’s degree, which will prepare me for full time employment so I can continue to be self-sufficient and raise my children to be successful.”

S. Spears, COWIB Youth Program participant

COWIB is an Equal Opportunity Employer/Program. Auxiliary aids and services are available upon request to individuals with disabilities. This presentation was financed in whole or in part by funds from the US Department of Labor as administered by the Oklahoma Department of Commerce.
