Dear Mr. Wooten,

Please accept this letter as a formal request for the staff of the Central Oklahoma Workforce Investment Board/dba as the Central Oklahoma Workforce Innovation Board to receive coverage through the Employees Group Insurance Division (EGID) of the Office of Management and Enterprise Services.

We believe we are eligible to receive such coverage as we are an incorporated Not for Profit as certified by the State of Oklahoma and exempt from Federal Income Tax under section 501 (c) (3) of the Internal Revenue Code. The source of our funding is federal allocated through the Workforce Innovation and Opportunity Act of 2014 and in turn that money is passed through and administered by a state entity, Oklahoma State University-Oklahoma City. For these reasons, our staff should be eligible to receive benefits through EGID.

The Board of Directors has voted and authorized this request for coverage. We wish coverage to begin on December 1, 2018.

Should you have any additional questions please feel free to contact Eddie Foreman, CEO at (405) 622-2026 ext. 307 or via email eddieforeman@cowib.org.

Respectfully

Richard Brown, Chairman
