PURPOSE: To provide a list of STEM occupations in the region.

The Central Oklahoma Workforce Innovation Board (COWIB) is the policy and guidance board for the Workforce Oklahoma system in Central Oklahoma. We are business leaders with a goal to establish a highly skilled, productive workforce in our 9-county area.

The Central Oklahoma Workforce Innovation Board (COWIB) complies with WIOA's Equal Opportunity and Nondiscrimination provisions which prohibit discrimination on the basis of race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, transgender status, and gender identity), national origin (including limited English proficiency), age, disability, political affiliation or belief, or, the basis of citizenship status or participation in a WIOA Title-1 financially assisted program or activity.

COWIB is an Equal Opportunity Employer/ Program. Auxiliary aids and services are available upon request to individuals with disabilities. This was financed in whole or in part by fund from the US Dept. of Labor as administered by the Oklahoma Office of Workforce Development.

COWIB STEM Occupations in Central Oklahoma

Purpose

One of the measures of contract performance for the COWIB's WIOA Service Provider is:

"Clients Enrolled in STEM Related Training"

This measure is defined as the number of WIOA Title I participants who enter training that is designed to support entry into a STEM Occupation, where "STEM" refers to Science, Technology, Engineering, or Mathematics.

COWIB has developed our own definition of a STEM Occupation. There are two parts:

1. An occupation that is classified as "STEM" in the O*Net Online database:
<https://www.onetonline.org/find/stem>
2. An occupation that is otherwise recognized by COWIB as a "STEM" occupation.

A complete list of STEM Occupations appear on the following pages.
