

I'm Jennifer, and I worked for 7-Eleven for 21 years, and I suddenly found myself unemployed. I wasn't sure what I was going to do because I knew that I didn't have the skills that were needed for an office setting career. I heard about Oklahoma Works WIOA program, and I went in to inquire about assistance. Oklahoma Works helped me go back to school. I choose to attend Francis Tuttle Technology Center Full Charge Bookkeeping program. After I completed my training as a Full Charge Bookkeeper, my Career Navigator helped find me employment with Emerald Care Center, so I could get work experience in the field I trained in. I now have a positive outlook and know I have the skills needed to succeed, and able to provide for my family. Thank you Oklahoma Works!
